Your Wedding with Us

Living on your own private Island is a dream for many - however a Wedding at the Isle of Eriska allows you to turn this fantasy into reality as you live the Eriska Experience.

The Story of an Island

Crossing over Eriska's bridge transports you to a new world. A small rural oasis where Herons fly, Otters visit nearby, and Grey Seals swim in the surrounding waters. Distant Islands form a stunning backdrop to luscious greenery and why not plan a spot of sailing, shooting, and many other activities during your stay.

Built in 1884 for the local Clan, the Main House was extensively refurbished when the Buchanan-Smith family bought the property in 1973. Since then it has undergone extensive investment not only in the House and accommodation but also the sports and leisure opportunities. Eriska now boasts a wealth of facilities making it unique in the United Kingdom.

The combination of an acclaimed Restaurant, and tastefully furnished Rooms and Suites are complemented by a Spa and leisure venue with heated pool, ESPA & Ishga spa treatments, indoor leisure hall with tennis, putting and badminton, and a driving range surrounded by acres of nature walks and trails ensuring that Eriska has something for everyone in your party.

There's a certain magic about staying on a private Island. Located on the west coast of Scotland, the parkland boasts gorgeous views overlooking Loch Linnhe and the dramatic Morvern Mountains beyond.

Our 365 acre estate offers a truly unique and memorable experience.

The Estate

As with any country house, the bedrooms all vary in shapes and sizes but all feature the facilities, amenities and luxury you would expect from a Five-Star Hotel.

In the Main House there are sixteen Bedrooms split into two main categories, Deluxe - slightly larger and tending towards the front of the house, and Standard- which are more intimate than the Deluxe rooms and located towards the east of the Hotel.

Beyond the Main House in the surrounding gardens lie the five Spa and Garden Suites, two Spa and Garden Cottages and the six Private Hilltop Retreats. These all offer more privacy and seclusion but not at the expense of service or style. The rooms outside the main house also have a greater degree of space set in private gardens, some with their own hot tubs.

The Isle of Eriska Hotel, Spa, and Island provides the perfect venue for your Wedding Day. Just imagine your special day on your very own Scottish Island, whether the Rhododendrons and Bluebell glades are flourishing, or the Autumnal reds are on display. Be it a small intimate occasion or a slightly larger gathering, every aspect will be tailored to your needs. Allowing you to enjoy a unique location for private moments with your loved ones.

A delicious set menu will be created for you and your guests to enjoy on the big day. Our team would be more than happy to cater for dietary requirements and would ask that you advise of these during your booking process. We prefer our packages to be bespoke to each wedding couple so please talk to us, our chefs, and our sommelier as we are all very happy to guide you and create your dream event.

Up to sixty-two Guests

The ceremony would take place in the Hotel or outside in the gardens, followed by a drinks reception and Wedding Breakfast. Then transformed into your evening's entertainment space as you would have the hotel reserved on an exclusive use basis.

Over sixty-two Guests

For a large wedding, a luxurious marquee can be placed on the front lawn. The ceremony for up to a hundred and twenty guests can be held in the Main House, larger ceremonies would take place in the marquee or a nearby Church. Enjoy the flexibility in the way your marquee can be decorated and designed, allowing you to create a very personal ambience and altogether unique atmosphere.

Please Note, additional marquee and cater hire charges apply out with exclusive use option. Price on application subject to meeting with Marquee company of your choice. Please also note that due to the size of these weddings there is a need for table ware hire and sometimes kitchen ware hire which is additional and will be detailed through the booking process.

The Ceremony

Our grand Drawing Room offers a unique setting inside the Main House or alternatively, an open area ceremony on our picturesque Island with unrivalled views. A civil registrar would marry you in the Main House or anywhere on our stunning Estate.

For a more traditional ceremony, Ardchattan Church in North Connel, 3 miles away, can provide Church of Scotland ceremonies on arrangement.

Champagne and Canapés

After your vows you'll head out onto the front terrace for a Champagne reprieve. With relaxed seating, garden games, and the most divine canapés, it allows your guests to spill out onto the lawns, acting as a start on your new chapter together.

The Wedding Breakfast

Your guests will move through the Hotel into our classically appointed Restaurant where your Wedding Breakfast will be held. With its opulent interior, it is the perfect backdrop for speeches, toasts, and cheers.

Food is our passion and our dedicated kitchen brigade puts hard work and investment into creating and preparing our menus. Our team personally ensures the quality of ingredients and we design our dishes with the best of local produce.

With south facing views, our Restaurant always has the most beautiful natural daylight that streams in across the lawns. As dusk arrives the warm glow of candle light and roaring fires make it the perfect party scene.

The After Party

Once the sun starts to set, our Drawing Room transforms itself into the venue to finish your spectacular day with live music and dancing. Re-energise yourself with Champagne and Cocktails from our Bar, and dance the night away.

The End of the Night

Our Rooms, Suites, and Lodges offer the luxurious backdrop for a flawless nights sleep. With bespoke fabrics and sumptuous furnishings. It is the perfect place to end your perfect day.

Our Wedding Team are passionate about every little detail and ensure that they are designed to perfection.

We would love to show you about the Estate.
